To Whom It May Concern:

Enclosed please find the mid-year report for Infrastructure PAC, Inc. 527 Fund (C00570051). This letter serves to inform you that our committee accidentally filed a quarterly report for the first quarter of 2015. This mid-year report should replace and supersede that report. Further, this report is intended to respond to, and remedy, the letter from the Commission dated July 14, 2015 which found the aforementioned 1st quarter report incomplete. This mid-year report, which now covers that time period, is complete and includes all the detailed summary pages. Thank you for your attention to this matter.
